

3S (Saudi Smart Standard) MAYADAH HAMED M ALJAHDALI

No.Filling: 114350430

Find it difficult to take liquid medicine ?

Dose inaccurate ?

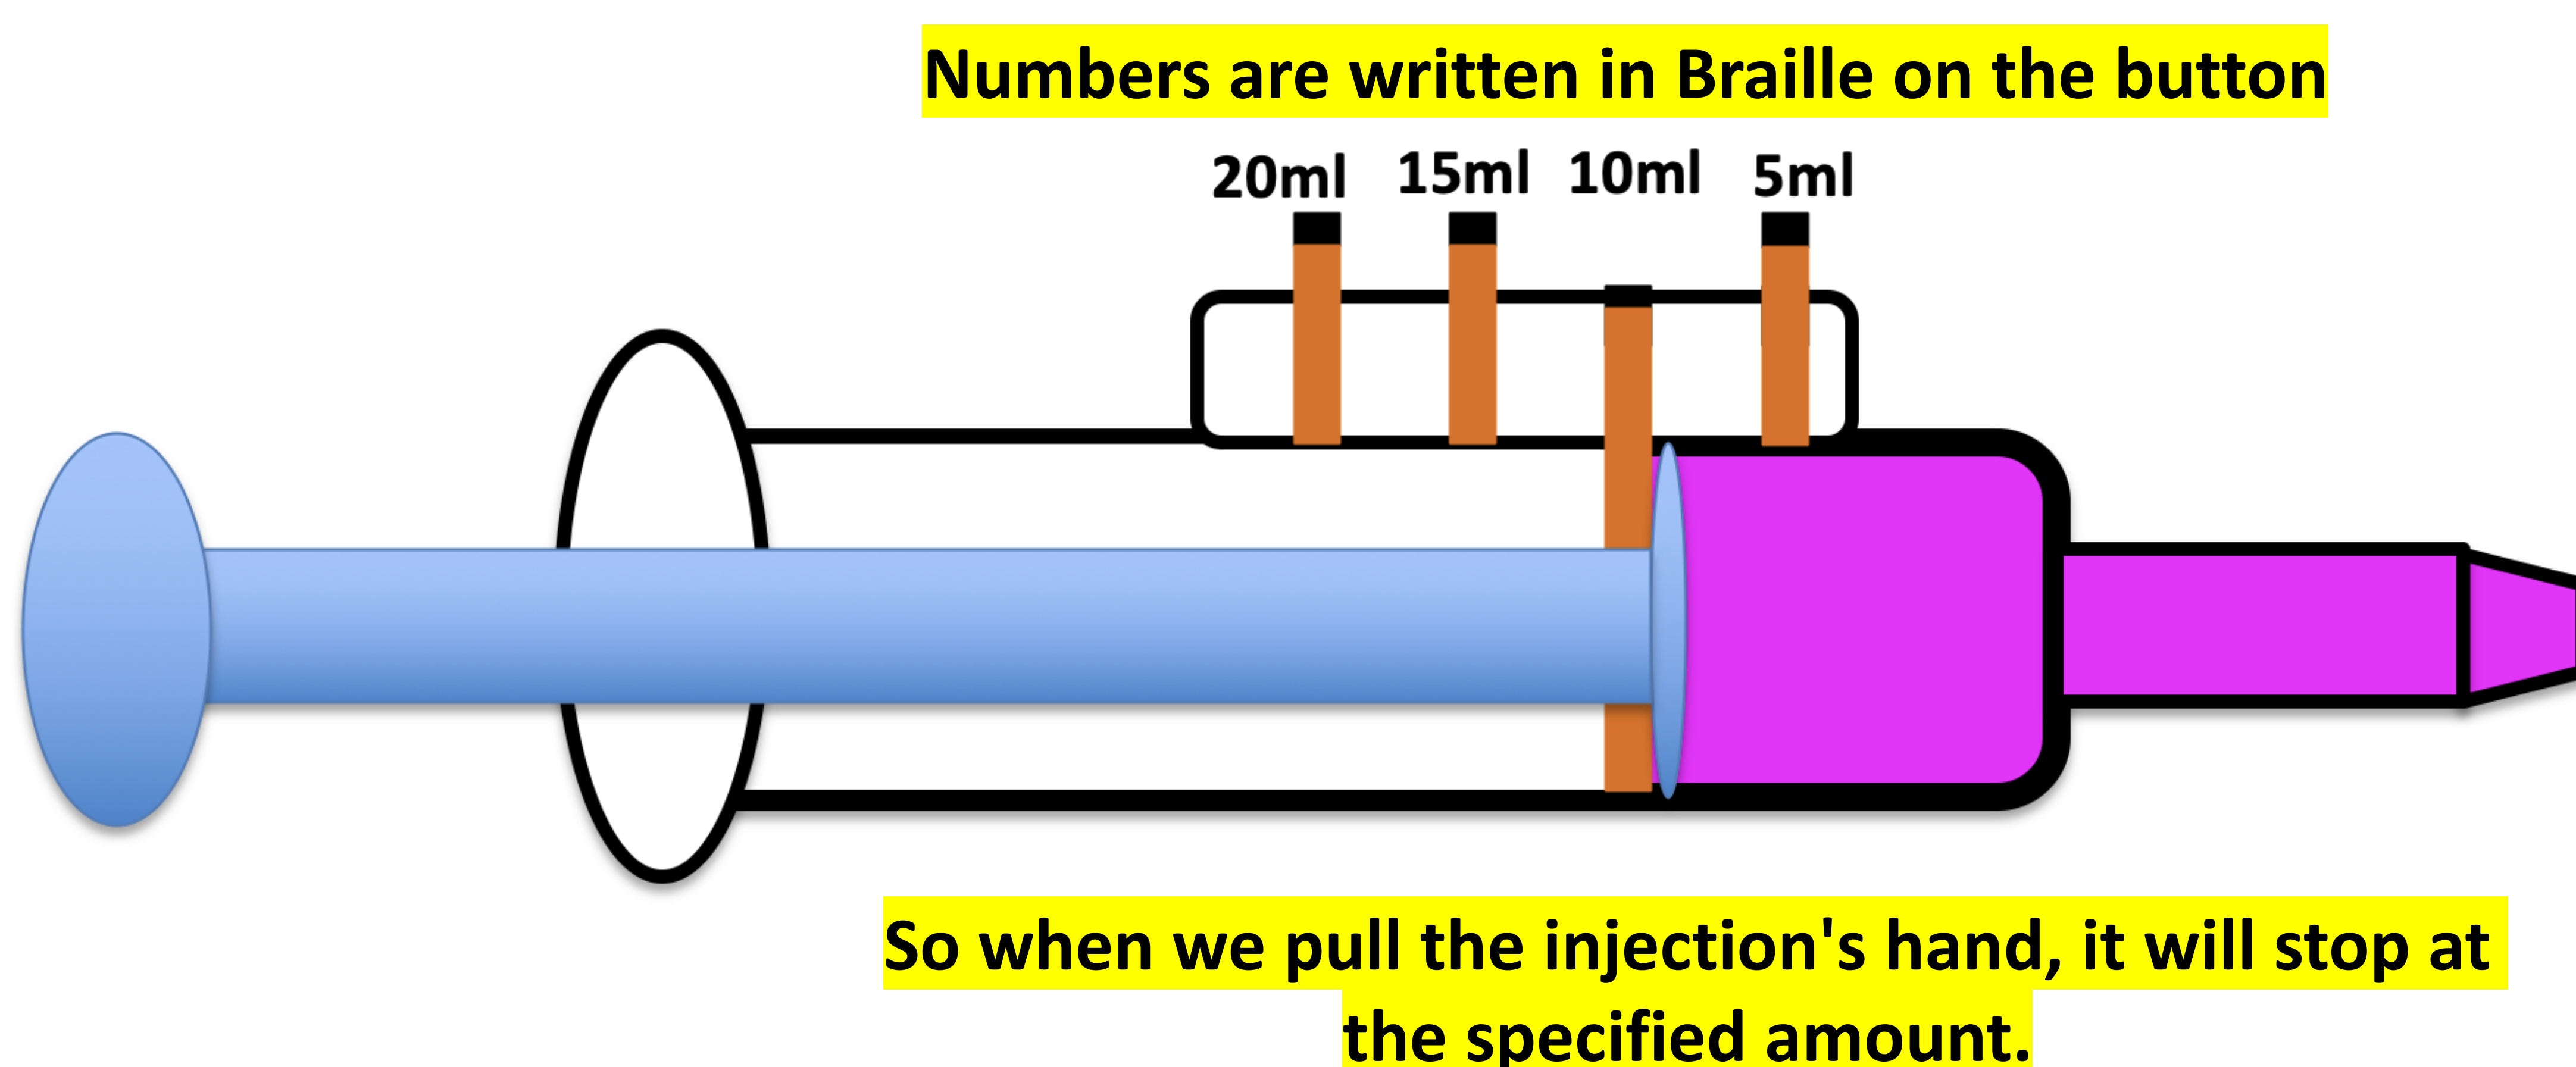

Rely on someone else to
take the dose ?

**We make
it easy!**

Saudi Smart Standard has buttons which makes partition for the injection's hand to stop in a specified amount and hold it not to move. Additions, Braille numbers are written on the button.

P.S. At the top of the injection there is a store for the partitions.

Advantages of Saudi Smart Standard

- Simple productivity cost.
- Serving a visual disability and elderly.
- Accuracy in taking a specific dose
- Attach with the liquid medicines.
- Circulate in all hospitals and health centers.
